Subject - regarding the arrangements to be made for the winding and oiling of the clocks of the Municipality

---

With reference to your letter No L 11211 dated 26-5-42 on the above subject, I have the honour to state that Mr Mohamed Abdul Khuddus, the Government Clock Winder is reported to be a professional man and he is agreeable to undertake the work on a monthly remuneration of Rs 12/-, i e Rs 5/- for each of the two tower clocks and Rs 2/- for the ten Municipal Office clocks But I am not satisfied with his work and do not consider him capable of managing the tower clocks

In case we entrust these clocks to an ordinary clock winder, the efficiency of the clocks will suffer and the Council would be put to more expenditure in the shape of constant repairs The municipal Council after considering all the aspect of the question decided to appoint Rama Rao on a monthly allowance of 15/- Hence I request sanction of Government may be obtained to the resolution of the Council

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner
